

“Let’s Sync...Wear Pink Campaign”

As part of our commitment to our local communities, Valley Telecommunications Cooperative is offering our very own Breast Cancer Awareness Campaign - “Open Season on Breast Cancer” - to our local businesses and cooperative members.

Our goal is to blanket our towns with PINK each and every Friday in October! So, “Let’s Sync...Wear Pink!”

Orders must be received by August 13, 2010. Pick-up points will be announced at a later date.
Please include your email address for future correspondence.
Please Note: No orders will be accepted after the deadline date.

Payment must accompany the completed order form. Make copies of the order form as needed!

Checks should be made payable to: “Pink Campaign”.
(The money above & beyond the cost of the shirt (depending on the number of shirts sold) will be donated locally to Breast Cancer Research.)

2010 Design: T-Shirt is a full camouflage pink/black/white design with the Open Season artwork featured on the back of the shirt.

Pink camouflage shirts are available in Adult Sizes & Short Sleeve Style Only – 60% Cotton/40% Polyester.
Size Note: Shirts appear to run slightly smaller than last years design. Please order accordingly.

Thank you for your support of this worthwhile project!
